

Telephone Music

You are going to create music using the online telephone keypad. You can find it at this website:
<http://www.dsptutor.freeuk.com/dtmf/TG102.html>

You must create two melodies. The first melody must be in 4/4 time. This means that there are 4 beats in a measure, and each beat lasts a quarter note.

The second melody must be in 2/4 time. This means that there are 4 beats in a measure, and each beat lasts a half note.

1. In the space below, write the numbers, symbols, and letters you used to create your song in 4/4 time.

2. In the space below, write the numbers, symbols, and letters you used to create your song in 2/4 time.

3. Use the keypad below to help you record the numbers you used in your melodies.

1	2	3	A
